Kumari, P.I.C., Gayathri, P., Rajesh, N., Umar, S., Sekhar, G.C., Abdul, A.M.	Designing of medical processor unit for intelligent network- based medical usage	2016	Indonesian Journal of Electrical Engineering and Computer Science	4	3	532	537	Article
Chandana Kumari, P.I., Laxmi, S.S., Rekha, B., Pravallika, B., Chaitanya, G., Umar, S., Mohammed Abdu, A.	VMM based secured virtualization in cloud-computing	2016	Indonesian Journal of Electrical Engineering and Computer Science	4	3	643	648	Article
Robert Xavier, A., Ravichandran, A.T., Ravichandran, K., Mantha, S., Ravinder, D.	Sm doping effect on structural, morphological, luminescence and antibacterial activity of CdO nanoparticles	2016	Journal of Materials Science: Materials in Electronics	27	11	11182	11187	Article
Siridhara, A.L., Venkata Ratnam, D.	Estimation of phase multipath in GPS with SNR	2016	ARPJ Journal of Engineering and Applied Sciences	11	19	11374	11377	Article
Bridjesh, P., Prabhu Kishore, N., Mallikarjuna, M.V., Alekhya, N.	Performance analysis of variable compression ratio diesel engine using calophyllum inophyllum biodiesel	2016	Indian Journal of Science and Technology	9	35			Article
Reddy, B.V., Reddy, P.B., Kumar, P.S., Reddy, A.S.	Lossless Compression of Medical Images for Better Diagnosis	2016	Proceedings - 6th International Advanced Computing Conference, IACC 2016			404	408	Conference Paper

Anusha, T., Prasad, T., Ranjani, V.A., Puranlal, S., Robin, K., Nath, S.G.	A novel RP-HPLC method development and validation for estimation of nicoumalone in bulk drug and formulation	2016	Indian Journal of Pharmaceutical Education and Research	50	3	403	408	Article
Harikamalasree, Sudhakara Reddy, M., Viswanatha, R., Narayana Reddy, C.	Thermal and fragility studies on microwave synthesized K ² O- B ² O ³ - V ² O ⁵ glasses	2016	AIP Conference Proceedings	1728				Conference Paper
Madhuravani, B., Bhaskara Reddy, P., Murthy, D.S.R.	An efficient authentication protocol to amplify collision resistance using dynamic cryptographic hash function & LSB hop based image steganographic technique	2016	International Journal of Applied Engineering Research	11	7	5293	5296	Article
Krishnaraj, J.	Timed turbulence assistance in CI engine combustion for fuel economy and lower emissions	2016	Indian Journal of Science and Technology	9	44			Article
Venkateswara Reddy, B., Sateesh Reddy, A., Bhaskara Reddy, P.	BITSMSSC: Brain image tomography using SOM with multi SVM sigmoid classifier	2016	Advances in Intelligent Systems and Computing	411		497	505	Conference Paper
Rama, B., Mishra, J.	On the study of 3D fractals	2016	International Journal of Soft Computing	11	3	107	113	Article
Prashanth Kumar, V., Srinivas Reddy, P., Sripada, S., Vishnuvardhan Reddy, C.	Preparation and Characterization of Pr ¹⁻ xSr ^x MO ³⁻ / inf>(PSMO) (0≤x≤0.6) Nanomaterials	2016	Materials Today: Proceedings	3	10	3709	3712	Conference Paper

Visalakshmi, S., Lakshmi, P., Shanmugam, K., Prasad, K.K.	A cointegration analysis of price diffusion amid ADRs and dually listed Indian stocks	2016	International Journal of Business Innovation and Research	11	3	345	362	Article
