Student Satisfaction Survey

MLR Institute of Technology

Under Criterion II of Teaching – Learning and Evaluation

Student Satisfaction is a direct indicator of the effectiveness of teaching learning in the institution. Their satisfaction level is decided by the kind of experiences they undergo, the extent of the comfort feeling as well as intellectual stimulation the learning situation provides, which enable the identification of the strengths of teaching as well as possible improvements. Looking into these significant aspects of student's satisfaction level and importance of teaching learning process in imparting quality Higher Education to students, MLR Institute of Technology, Hyderabad has prepared a questionnaire to get the satisfaction of the students on overall institutional performance.

This survey is being conducted by MLRIT and its motto is to upgrade the quality in higher education. A student will have to respond to all the questions given in the following format with her/his sincere effort and thought. Her/his identity will not be revealed.
