17	14 TH APRIL 2018	TECHNICAL MEET- AEROSPACE LUMINARY LECTURE SERIES	AeSI

MONTH: JUNE

Event Name	: Research methodology & Faculty Adviser Forum
Date	: 19 th to 24 th June 2017
Chief Guest	: Dr. V. Ganesan Emeritus Professor IIT Madras
Guest of honor	: Dr. K. BhanuSankaraRao, Ministry of steel chair Professor,
No of Participants	: 32 faculty members from south India
Collaboration with	: SAE
Organized by	: Aeronautical and Mechanical Engineering Departments
Venue	: MLR Institute of Technology, Hyderabad
Other guest	: Dr V. V. S. S. Srikanth, Associate Professor, Mr. S. Narender, Scientist, DRDO, Dr.Y. SrinivasaRao, Scientist G, RCI, Dr. GururajTelasang, scientist, ARCI, Dr. P. Lakshmi Santhi

,SciTech

Dr. Kiran , Dr. Suryanarayana, Mr. S. Shanmugam, Managing Director- DDIPL, Mr. C. Siva kumar, Champion, Mr. S. Sriraman, Chairman SAEISS, Dr. E. Rajasekar, Secretary SAEISS, Mr. T. Kasiraja, Treasurer. Mr. D. Balaji RNTBCI.

GUEST LECTURE BY JACKSONVILLE STATE UNIVERSITY PERSONS

A guest lecture was organized by Ms Uday Deepika of Aero Dept from JACKSONVILLE STATE UNIVERSITY official Ms Chandini khadaka on 06/02/2017. She came to our college to interact with all the students and give a brief about the higher education in USA and clarified the doubts of students about doing Masters in USA and in their university

NATIONAL SCIENCE FAIR

National science fair 2017 was organized on 28 Feb. to celebrate national science day. The Aeronautical engineering department has taken the initiation to celebrate this national science day so a national science fair is conducted in the collage for school students to post graduate students to exhibit their innovative ideas. Dr MRM Babu outstanding scientist 'H' project director of Agni-4, ASL, Dr. N.Kishorenath scientist F, ASL were the chief guest for this event .In this event total 79 projects were exhibited, out of them 64 were school students and 215 were engineering students total 279 members were participated in this fair and made the event a grand success. MLRIT Aero students got second Prize for their project in this Science Fair
